MARIC

RAIL INDUSTRY HANDBOOK 2018

REALISING INTELLIGENT TRANSPORT FOR THE GLOBAL COMMUNITY

Supported by

MIGHT
Malaysian Industry-Government Group for High Technology

ABOUT MALAYSIA RAIL INDUSTRY CORPORATION (MARIC)

MARIC is an industry-led platform to promote coordination and integration among Malaysian rail players. It was established with the function to support and represent the voice of Malaysian rail industry players.

OUR MISSION

To promote the development of the rail industry and increase the visibility of the companies and their competencies.

OUR OBJECTIVES

To support government policies with regards to national rail industry development

To be the focal point for the local rail industry engagement in Malaysia

To maximise the benefits from government investment to the local rail and its supporting industries

To be the focal point in the strategic development of human capital, technology and supply chain

OUR COMMITTEE

The committee is governed by Board of Trustee that consists of key players in the rail industry. The committee bring together years of experience, industry knowledge and strong linkages with the relevant government ministries and agencies.

President
Datuk Dr. Mohd Yusoff Sulaiman
